*Start your science adventure at Welcome Centers located in front of the School of Education Building, the Sullivan Science Building, the Coleman Building or College Avenue.*

*Join the fun at UNCG: Create your own DNA Necklace, find out how much iron is in a cheerio, become an engineer, pet a reptile and lots more! We have more than 70 amazing activities. Take home prizes, t-shirts and totes from the festival. Become a scientist and ask questions. A shuttle will be available for convenience. Food will be available at UNCG's Dining Hall, Elliott University Center and Food Trucks.*

The North Carolina Science Festival is the first statewide science festival in the United States. During a two-week celebration each spring, the Festival brings hundreds of events together under one banner to recognize the economic, educational and cultural impact of science throughout North Carolina.
